Now, known as Regions University  
Defendant, Below,

Case. No. 07-3376

NOTICE OF APPEAL TO BE HELD AFTER DISTRICT COURTS DENIAL OF  
RECONSIDERATION ON MOTIONS FOR LACK OF JURISDICTION AND  
DISMISSAL OF SUMMARY/DEFAULT JUDGMENT and NOTICE TO AMEND  
ORIGINAL APPEAL ON RECONSIDERATION MOTION FOR LACK OF  
JURISDICTION TO INCLUDE AN APPEAL ON THE MOTION OF THE  
DISMISSAL OF SUMMARY/DEFAULT JUDGMENT

This is to notify the courts that the above mentioned case is to be officially posted for the Appeals Court and to be amended to include the recently filed Motion for Reconsideration on the Dismissal of the Summary/Default Judgment. This second motion for Reconsideration of the Dismissal of Summary/Default Judgment was filed because Plaintiff/Appellant was not sure if the original Motion for Reconsideration on the Lack of Jurisdiction would automatically include the Dismissal of the Summary/Default Judgment even though this Dismissal was solely based on the Lack of Jurisdiction Motion which was approved.

Joan T. Kloth, Below-Appellant  
Plaintiff/Appellant is pro-se.

Case. No. 07-3376

This is a notice to the Appeals court that the Appellant is so financially devastated by this case and the situation the defendant has inflicted upon the Appellant, that Appellant can no longer afford Mailing fees that are beyond a regular stamp price. In other words, Appellant cannot afford to send more than one copy of any information to the courts as she has no money to pay for it with. Appellant is now applying to her local town and government for energy assistance, food, and medical care and cannot afford the cost of anything more than a single stamp as she has a minor child to care for.
